Excellent performance at Aylesford, U.K. site leads to a new warehouse in the Netherlands

GXO's expertise enabled Harry's triple-digit growth in retail and ecommerce volumes since beginning of COVID-19 pandemic

[LONDON, UK, April 05, 2022 \(GLOBE NEWSWIRE\)](#) -- [GXO Logistics, Inc.](#) (NYSE: GXO), the world's largest pure-play contract logistics provider, announced that it is expanding its partnership with Harry's. Since 2019, GXO has supported Harry's spectacular growth in Europe, where the U.S.-based manufacturer sells shaving equipment and personal care products through online and retail channels.

"We're pleased to expand our partnership with Harry's as they continue to grow their innovative direct-to-consumer business," said Richard Cawston, GXO President, Europe. "It's exciting to help support Harry's significant growth with our omnichannel expertise as their products delight more people than ever. We're helping Harry's to achieve a world class consumer experience in the U.K., France, Belgium, Germany and the Netherlands."

Since the partnership began in 2019, GXO has helped Harry's increase their retail volumes by more than 270% and ecommerce volumes by more than 230% in the UK alone¹. GXO also supported the launch of Harry's new Flamingo brand, a female-focused body care product line.

Christine Pfeckl, Global Distribution & Logistics Vice President at Harry's, said, "Our strong partnership with GXO helps us seamlessly transition to a supply chain strategy for the future. GXO's global scale provides valuable synergies between our logistics operations and consistent high-quality service for our customers, whether they live in the U.K. or continental Europe."

GXO will further optimise Harry's ecommerce and retail operations and provide critical flexibility to manage large volumes during seasonal peaks. GXO's facilities also support Harry's value-added services, including promotional kitting and personalised engraving.
