

GXO and Blue Yonder Announce New Strategic Global Agreement

May 5, 2025

New agreement creates strategic growth opportunities for both companies while delivering industry-leading supply chain solutions for customers

GREENWICH, Conn. and DALLAS, Texas, May 05, 2025 (GLOBE NEWSWIRE) – [GXO Logistics, Inc.](#) (NYSE: GXO), the world's largest pure-play contract logistics provider, and [Blue Yonder](#), the world leader in end-to-end digital supply chain transformation, announced today a global multi-year strategic agreement to deploy new end-to-end logistics software solutions that will enhance speed, flexibility and predictability for GXO customers.

To support GXO's rapid growth and need for seamless implementations at scale for clients across industries, Blue Yonder will become one of the company's preferred off-the-shelf software solution providers for warehouse management systems (WMS). The agreement creates additional warehouse and logistics capabilities and will help deliver even faster speed-to-market for businesses that require extra inventory flexibility, resulting in a simple onboarding experience that gives more insight into operations with real-time data forecasting as goods move through the warehouse.

"At GXO, we've invested deeply in automation and robotics to manage high-speed, high-volume operations for the world's leading brands. As throughput increases, so does complexity. With businesses navigating new logistics challenges daily and as global supply chains are met with increased unpredictability, our technology solutions will be more productive and more predictable to meet today's needs and tomorrow's challenges," said Nizar Trigui, Chief Technology Officer of GXO.

"We built an innovative offering that supports GXO's rapid growth and differentiation in a highly competitive market," said Duncan Angove, Chief Executive Officer, Blue Yonder. "This agreement further enables GXO to achieve its goal of delivering smarter, faster and leaner supply chains for its customers."

GXO serves the world's top brands at more than 1,000 sites in 27 markets. GXO's strategic offering with Blue Yonder is an important milestone that will further the company's leadership in tech-enabled fulfillment, building upon decades of data to develop cutting-edge logistics solutions.
